CONGRATULATIONS FIRST STEPS GRADUATING CLASS OF 2023!

To my dearest Benjamin and Brooklyn,

Congratulations on graduating kindergarten! Mom & Dad are extremely proud of you for being such amazing children who are full of love, kindness, laughter and energy. We love you more than words can describe. The future is very bright for both of you!

To all the kids who are moving on to the next level at First Steps or graduating to 1st grade, congratulations and wishing you continued health & success!

To all the parents, I want to congratulate you on an amazing job raising such outstanding children and students. We have had nothing but positive experiences in our 5 years at First Steps which speaks highly of all the work parents are putting at home to raise such kind hearted, well behaved and respectful kids.

To the staff and teachers, we can't thank you enough for taking such great care of our kids, our most valued treasures, our everything! You are all angels on earth for your patience, effort and time. We thank you and wish you all the best going forward.

With gratitude and much appreciation,

Tom & Seda Barseghian
